

Dr. Thomas Dekorsy appointed as Chief Sales Officer

(Penang, Malaysia, 23 AUG 2018) Leading electronics and box build design and manufacturing solution provider ESCATEC has recently announced the appointment of Dr. Thomas Dekorsy to the newly created position of Chief Sales Officer (CSO). Dr. Dekorsy, previously the General Manager (GM) at ESCATEC Switzerland AG (ECH), assumed his new responsibilities for the ESCATEC Group on August 1, 2018. Reporting directly to Markus Walther, the Group's Managing Director, he will strategically manage the expansion of the company's customer base and the achievement of the Group's aggressive growth targets.

Britta Blum – Hands-on experience has created the perfect GM successor

Britta Blum, previously ESCATEC Switzerland's Business Unit Manager has been selected to fill the General Manager position in Heerbrugg. Ms. Blum began working at ESCATEC Switzerland in 2001, when it was Wiltronic AG, part of Leica Geosystems. She has accumulated extensive and wide ranging experience, moving up the career ladder through various ESCATEC positions before becoming Business Unit Manager in 2013.

"Thomas and Britta are eager to take on the challenges of their new roles, both come with a wealth of experience under their belts and an in depth understanding of our customer's needs. I am confident they will lead ESCATEC towards an even more successful and profitable future," says Group Managing Director, Markus Walther.
